Other Possibilities for Improvement:

- ▶ Partner with the Robert F. Kennedy National Resource Center for Juvenile Justice to conduct a comprehensive probation system review.
- ▶ Collect data about recidivism within the first 90 days of supervision. Look for improvements in practices and programs to address this critical period.
- ▶ Explore the possibility of working with the City of Milwaukee Municipal Court to screen youth who were cited for misdemeanors in order to achieve quicker access to needed services.

THANK YOU!
